

HUSQVARNA 362D28

Husqvarna 362D28 is a powerful duster. The efficient fan provides excellent discharge and coverage performance. Mister conversion kit available as accessory.

High mixture coverage

The powerful engine and fan leads to efficient mixture coverage.

Comfortable harness

Comfortable padded harness.

Easier cold starting

Removes air from carburetor and fuel system for easy starting.

Smart Start®

The engine and starter have been designed so the machine starts quickly with minimum effort. Resistance in the starter cord is reduced by up to 40%.

FEATURES

- Air purge for easier cold starting
- Comfortable padded harness
- High mixture coverage
- Smart Start® for easy starting
- High discharge performance
